INDUSTRY ASSOCIATION

As an Approved and Registered Private Career College in Canada, GLOW College maintains professional relationships with leading Beauty and Media organizations. These relations allow our Students to experience Industry opportunities which allow them to become confident and highly qualified Graduates. Media Partners such as CITY TV have provided hands on practice opportunities for our Students to gain industry experiences while Leaders such as The Bay, Donato Salon and Spa, Sephora and MAC Cosmetics seek our Graduates for ongoing employment in Canada and abroad. Students have the opportunity to work in class with the Industry's leading cosmetic brands, hence our Education Partnerships and Affiliation with MAC Pro Cosmetics and MAKE UP FOR EVER Paris.

As an example of how other Industries are seeking out GLOW College and contributing to its image and growth, GLOW College is proud to be contracted as Beauty Education partners for Air Canada for personal grooming, hair and makeup artistry standards of thousands of their employees across Canada. GLOW is quite literally reaching new heights. Additionally, GLOW instils success and entrepreneurial mind sets in their students allowing them to exceed personal and career goals.

CHOOSE A CAMPUS

With three Campus locations in Ontario, Canada as well as International Affiliate locations, there's likely a campus near you. If you are located at a distance and can not arrange to attend in person classes, we're happy to offer select program content online. With the use of latest technology and digital media, Students are now able to earn a GLOW College credential from the comfort of their home.

Contact your Campus of choice today and allow us to help you plan your enrolment into a GLOW College Diploma program. There are several start dates and payment options to choose from. Many of our aspiring Students know to look no further, however if you are still in search of the best school, we highly recommend booking an in person tour of one of our facilities. Choosing an Approved and Registered Career College like GLOW is the best decision you can make to start your career. There is no comparison between a Registered Private Career College and an unapproved course available around the City. Ask us about the difference. Your investment matters.

SMART CLASSROOMS are coming in 2020 to each of our Campuses and we are thrilled to be the only College to offer unique methods of Instruction to help our Students absorb theory content better than ever. There's always something unique and new age at GLOW College, we can't help it.

ENROLMENT PROCESS

Aspiring Students have the opportunity to enroll into their Programs of choice either in person or virtually online. Students are encouraged to enroll a minimum of 6 weeks prior to the commencement date to ensure all materials are arranged on time. Late enrollments may be available based on available seats however materials may require additional time to arrive. A one time enrollment fee of $150.00 applies to all first time Students. As an incentive to enrolling on time, Students can expect to have the enrollment fee waived.

STEP 1 – Review this Program Guide to ensure the Program content and expected outcomes are in line with your goals. An Admissions Coordinator or the Director will be more than happy to help answer any questions you may have about your Program of choice. A phone call or in person tour can be scheduled at your convenience.

STEP 2 – Review Program schedule to decide which type suits you, full-time or part-time studies. Full-Time schedules are typically weekdays Monday to Friday 930am to 330pm, while Part-Time schedules are typically 2 evenings 6pm to 9pm and a weekend, for example Sunday 10am to 4pm. Choose a start date. Our programs have multiple entry points making it simple to hop into an upcoming start date that suits you.

STEP 3 – Review the Program fees and payment options. Choose your preferred form of payment and a payment plan that best suits you. Students that require Acceptance letters for RESP, Third Party Grants or Second Career funding may request the letter. A $25.00 fee is application and will be credited to your total once the funding is approved.

STEP 4 – Book a phone call or in person tour to ensure that there is a mutual fit between your ambitions and our nurturing environment. Allow us to answer any questions you may have before registering into your Program(s) of choice. We are a family at GLOW College. As an aspiring Student, we want you to feel completely at ease that you will be investing your time in a positive learning environment. Our ideal Student is positive, accountable and enthusiastic to learn and grow into their dream careers. We are quite eager to speak with you and work towards building a long-term relationship as we do with all of our Students and Graduates.

STEP 5 – Complete a GLOW College Vocational Contract as well as submit your deposit. Available forms of payments for deposits include Bank Draft/ Money Order, Personal Cheque (only if 3 weeks prior to start date), Cash, or Debit. Monthly payments can only be processed with post dated personal cheques. Pay in full to save on admin fees. An Admissions Coordinator will be happy to provide you with the Contract and payment instructions.

STEP 6 – Plan your first day of classes! Our dress code is all black for classes. Trendy or comfortable, the choice is yours, however please keep to wearing all black with no color patterns. Digital course materials will be provided in class. You may bring a notebook and pen for additional note taking.

To take advantage of our Smart classrooms (Makeup Diploma only), bring a smart device to class such as a phone or ipad.

Lastly, bring a positive and enthusiastic mind set ready to learn, make new friends and step into the path towards your dream career.
